

SCA Members:

Recently you received a message from me containing a list of members registered for our 28 September 2016 thru 1 October 2016 reunion in San Antonio. Today I'm forwarding an updated list.

Thanks to the hard work and planning of Jim Whitmore and his Reunion Committee we have a great program prepared for you. This program will bring you up to date with the Medical Service Corps and allow you to re-connect with our former colleagues.

Take time to check out the following list for old friends. Take a look for someone you haven't visited with for a long time, someone that was special to you before you got busy with the rest of your life. That old friend is still there and will be happy to see you.

If you are already signed up take a look to see who is not on the list. Give them a call to encourage their attendance. Do not forget that while we have many "Old Army Buddies" our spouses have a lot of friends they have not seen recently and will enjoy renewing those friendships.

Earlier today I sent the following message to you and will copy it here.

We need your involvement in the Silver Caduceus Association in a couple of areas. First, we need volunteers to serve on the Board of Directors and secondly, we need volunteers to serve on the staff for the next reunion. We need new faces, new direction, new ideas to make our organization continue to grow.

At our upcoming SCA Reunion the Silver Caduceus Association will select board members for the period September 2016 to September 2018. The members meet by phone once every two or three months for an hour. Please contact me at ldanielski@satx.rr.com if you would like to join the SCA's governing body. For active duty so interested, we will provide a template letter of authorization for your Judge Advocate General to modify and sign.

Traditionally, SCA holds a Reunion every two years, in San Antonio one year, and in another location two years later. As we will be meeting here in SA 28 Sept-1 Oct, in a few weeks, it is time to select our next site. I believe we have lots of experience to assist in putting these programs together however we need "on the ground"

members to deal with issues at the reunion site. If you might be interested, please contact me at the above address.

See you in San Antonio,

Linn Danielski
President, Silver Caduceus Association
