Silver Caduceus Association

As we celebrate the success of our 2016 SCA reunion in San Antonio I would like to recognize those Officers who made all this possible, Our Founders pictured here, left to right: Colonels Jim Vinci, George Hammond, Gordon Hennessey, and George Waters. Earl McSwain was not able to attend the reunion due to ill health. Unfortunately, two founding fathers, Ernest Rezendes and Ernie Sylvester have passed away

We have come to expect perfection at our reunions. Jim Whitmire and his committee did not disappoint. From the registration procedure to the discipline dinners, tours, opening reception, speakers and banquet we could have expected nothing more. They did a truly outstanding job.

Speakers included MG Patrick Sargent, Corps Chief, MAJ Sharron Lankford, Education and training of MSC Officers, LTC Tom Jones, Role of MSC Officers in US Army North missions, MAJ Aaron Lozano, Role of MSC Officers in US Army South missions, COL Clint Schreckhise, DoD Enlisted Medical Training and Combat Medic Training in a Tri-service environment, COL John Garr, Operational Medicine and Medical Lessons Learned in the past 15 years, and Memorial service for deceased MSC Officers, Election of Officers and Board Members and discussion on location of 2018 reunion

Presidents Message

Chuck Adams

The Silver Caduceus Association Reunion concluded on Saturday, October 1st and it was a grand success. There were 102 SCA members and their spouses in attendance, and I believe all had a great time. I want to extend a hearty thanks to all that contributed to make the Reunion the success it was. Jim Whitmire headed the Reunion committee with the help of many others to include, Leon Childers, Linn Danielski, Darrell Dean, Mary Garr, Johnny Johnson, Thad Krupka, Diane Krupka, T.J. Lantz, Stan Schmid, Phill Swinney, Jim Van Straten, Jim Vinci, Roger Williams, David Rubenstein, Mike McGinley, George Krueger, Michael Williams and Stephen Innanen. Names are not listed in any particular order. I apologize if I missed anyone.

Elections were held, and if you don't know already, I was elected the President of your SCA. While my qualifications are few, I will strive to serve with honor and distinction and am truly humbled by your selection. I do want to thank Linn Danielski for his steadfast service as President of the SCA over the past two years. As for me, I started my military career as a communications officer in the Air Force, but quickly saw the light and switched to the Army after completing Optometry School at Pacific University in Oregon. I finished 30 years in the military in 2008 serving in my last two assignments as Optometry Consultant to The Surgeon General under LTG Jim Peake, and CSBPO and finally MSC Deputy Corps Chief to BG Sheila Baxter. I also want to thank Ed Hollingsworth for offering to serve as Vice-President, and to David Rubenstein for agreeing to serve in the newly established position of President-Elect. This change to the Bylaws will ensure the continuity of leadership needed for our organization.

As are all of you, I am extremely proud to have served as a Medical Service Corps Officer. Our Corps was formally established on June 30, 1917, and we will be celebrating our 100th Anniversary next year on June 30, 2017. Silver Caduceus Societies and the Silver Caduceus Association hold Anniversary events every year to commemorate our founding and 2017 will be the BIG ONE. I am already aware that celebrations are being planned in the National Capital Region and in San Antonio. I would encourage these events be planned by our Active Duty MSC community with strong support from our SCA, which includes Active Duty as well as Retired Medical Service Corps Officers. We are one community of brothers and sisters who do and have done so much for the AMEDD, our Army and the Nation. Let's all stand strong and show that we are proud members of the Army Medical Service Corps.

George L. (Chuck) Adams III
President, Silver Caduceus Association

2018 Reunion

Location for the 2018 reunion was discussed. The cities of St. Augustine and Las Vegas were mentioned. Before a decision can be reached we would like to hear from the membership. Please forward your ideas and suggestions to Ed Hollingsworth at ed2rie@cox.net. Keep in mind when making a suggestion it will be necessary to have a minimum of one member at the location who is capable and interested in coordinating the reunion activities, speakers, venue, and banquet. Suggestions need to be received NLT 1 December 2016.

Recruiting and Renewals

David Rubenstein

Howdy, all. It was good to see many of you at our biennial reunion. Hooah to Jim Whitmire for leading the planning committees and devoting so much of his time and talent to ensuring a successful event.

I'm honored you would choose me as your first ever president elect. The position will give us much needed stability year to year over time. The other part of stability is a growing membership.

Our Silver Caduceus Association (SCA) has 554 dues-paying members. That's 554 Active Component, Reserve Component, and retiree MSC members out of thousands of current and past MSCs.

The issue is two-fold: recruiting and retaining. I personally believe both issues share a common foundation. That is: why should I join and why should I stay once I've joined.

Membership has several benefits:

- Former MSCs can stay in touch with today's MSCs, AMEDD, and Army.
- Today's MSCs can network with former MSCs for post-Army career guidance.
- Our SCA website will soon have links to more and more-useful information.
- Our SCA LinkedIn page provides information you choose to share with others.
- Our SCA Facebook page provides information you choose to share with others.
- Our member directory allows us to find friends with whom we've lost contact.
- Members may sponsor family members for post-high school scholarships.
- Members get notice of fellow members who have recently passed away.
- Our biennial reunion is a source of MSC & AMEDD updates and camaraderie.

So, what can we current members do about recruiting and retention?

As to recruiting, many current MSCs don't know about the SCA, others believe it is a retiree-only organization. We need to get the word out. Use your Facebook, LinkedIn, and similar social media pages to share the SCA story and website URL. Talk with you MSC buddies. For retirees, make it a personal pledge to attend at least two MSC events on your nearby installation. For MSCs in uniform, make it a personal pledge to invite local MSC retirees to your MSC events.

As to retention, renew your membership. Make it easy on yourself and join as a life member once we publish a new membership application and renewal form.

And, as always, if you have ideas to improve our efforts to recruit and retain, share them. You can do so at our SCA LinkedIn page or SCA Facebook page. You can also email me directly at david.a.rubenstein@gmail.com.

2016 Reunion Scholarship Fund Update

Many Many Thanks to the attendees of the 2016 Reunion for donating \$5,656 to the Scholarship Fund. The Scholarship Program is funded entirely by donations from SCA members. Reunion years have been the best years for donations; however, we need to encourage our SCA members to send donations every year. All donations to the scholarship fund are tax deductible. You still have time to make your 2016 donation.

To date we have awarded a grand total of forty six (46) \$1,000.00 scholarships to relatives of SCA members, to include one to the spouse of an Active Duty MSC. Scholarship awards are distributed directly to the awardees to be used for tuition, books, fees, etc.

The SCA will begin to accept scholarship applications again on 1 Jan 2017 through 30 June 2017. Please go to the SCA web site to obtain the most current application approved by the SCA BOD. The number of scholarships that will be awarded will depend on the amount of money available and approval of the BOD.

Please send your donations to:

Silver Caduceus Association
Attn: Treasurer
P.O. Box 39514
San Antonio, TX 78218

Questions regarding the application process may be directed to any member of the Scholarship Committee:

Member Services

Well, our reunion is over and hopefully everyone who traveled is home safe. For those of you who did not attend for one reason or another, I encourage you to start planning now to make the next one. Once the dates and location are finalized, you will read about it in a future issue of the SCA E-News.

Speaking of the SCA E-News, the only way to guarantee you get each copy is to be sure we have your current email address on file and the easiest way to do that is to make necessary changes to your SCA profile yourself. As a SCA member in good standing, you have access to your electronic profile on the SCA web page via the Member Services page. Once you connect to the SCA web page (<http://silvercaduceusassociation.com>) simply click on the Member Services button at the top center of the page and then click on the **Log In Now!** link located about one third down the page. From here just follow the directions that appear under the title, **Welcome to Member Services**. Once logged in, click on **View Your Profile** located in the top right corner of the page. Now you can make changes to your password, postal address, email address, phone numbers, etc. Once you have made the changes click on the **Save Information** button located in the bottom left corner of the profile page.

Also, while you are updating your profile, take a look at what is currently checked off in the **Viewing Preferences** line at the bottom of the page in the **Additional Information** box. This is the information you have allowed other SCA members to view when they log in and are scrolling through the member list. When built, the individual profiles are designed to disclose just the member's rank, name and role in the SCA (i.e. Regular or Life Member, Board, Officer, etc.). To release more information, members need to make the changes themselves by checking off the items they want to be viewed (i.e. Address, Email, Phone Numbers and Spouse). We encourage everyone to at least add in their email address to allow other members to reach out to them. As a reminder, only our SCA members in good standing have access to the members list.

As the Membership Committee Chairman, I recommend all members review their web page profile annually, at a minimum and make changes as necessary. Remember, the most important piece of information is your email address. Keep this current and you will always be connected. If you have any problems or issues with changing the information on your profile, feel free to contact me directly at rogerfwill@aol.com.

Linkedin

Our Association is now represented on LinkedIn as the Silver Caduceus Association Group. LinkedIn is a secure professional networking WEB site for people in professional occupations now or retired. Founded in December 2002, LinkedIn has more than 200 million users in more than 200 countries and territories.

As a member of the Group you will be able to enjoy the benefits of initiating discussions, post and search for jobs, share topics of importance to the SCA and keep in touch with other Group members. Communicating through the Group will also give us another method of instantly communicating with our SCA members.

If you are already a LinkedIn member, then all you need to do to become a member of the SCA LinkedIn group is to login to LinkedIn and go to the search window and type in " Silver Caduceus Association" and ask to join the group. Once that is done, the Group Moderator, Jim Vinci, who initiated and developed the Group, will receive your request and immediately process it to make you a Group Member and give you access.

If you are not currently part of LinkedIn, then you will first need to register on LinkedIn and then you can follow the process as outlined in the previous paragraph to get on the Group.
